# SusRES' 2022

## 3rd Joint German - West African Conference on Sustainable, Renewable Energy Systems

21-22 July 2022, Université de Kara

[CALL FOR PAPERS]

Leading topic:

### "Solar energy systems - the sun as an inexhaustible source"

Tackling the climate crisis is more than ever the focus of science and research and is undoubtedly a problem that can only be overcome with global solutions. The emergence of new technologies is a key factor here, with the sun as an inexhaustible source of energy taking on an increasingly important role. By paying special attention to solar energy systems, the SusRES conference 2022 aims to raise awareness of these technologies and, in particular, to honor the scientific work in this field. The event encourages the scientific and pedagogic knowledge exchange in this and many other technologies related to renewable energy sources by providing a platform in which a proactive and environmentally concerned audience can share its ideas.

Prospective authors are invited to submit their full paper, which will be reviewed within a double-blind review process. Once the paper is accepted, the authors are asked to rework their paper according to the reviews and submit the full paper or poster contribution before the final paper submission deadline. We particularly would also like to encourage under- and postgraduate students to submit papers to the conference.

Please submit your contribution

Addressed Topics:

- » Hydrogen and Biomass Energy Generation
- » Renewable Energy
- » Machine Learning
- » Industry 4.0
- » Intelligent Automation & Robotics
- » Smart Grids
- » Predictive Analytics
- » Energy Efficiency
- » CPS & IOT(IIOT)

Conference Fees:

- » Authors and participants: 32000 FCFA
- » Students (participation only, limited number): 10000 FCFA
- » + 7500 FCFA for voluntary zoo visit

Publication:

- » Journal of the Nigerian Society of Physical Sciences
- » Indexation in Scopus, Crossref and DOAJ

Important dates:

- » May 8th 2022 Full Paper Submission
- » June 13th 2022 Notification of Acceptance
- » July 7th 2022 Submission Camera-Ready Copy

Important Information

- » The requested language is English.
- » Full-Paper submissions, are to be submitted in electronic form in MS Word or PDF format (max. 10 pages for full-papers and max. 3 Pages for poster contributions) via the conference management system <https://www.conftool.org/susres2022>
- » Further guidelines also see: <https://journal.nspis.org.ng/index.php/jnspis/about/guidelines-for-authors>

Contact:

Steering Committee: Prof. Dr.-Ing. Jörg Reiff-Stephan, Assoc. Prof. Assiongbon ADANLETE ADJANOH,  
Assoc. Prof. Seyf-Laye ALFA SIKA MANDE

Conference Organizing Committee: Ron van de Sand, Alexander Dietrich, Dr. Dam-Bé L. Douti, Dr. N'detigma Kata, Simon Wilbers,  
Fenja Anlauf, Dr. Elias Massimlawè HAKAKAWA, Dr. SAMAH Hodo-Abalo
